APPLICATION FOR MEMBERSHIP RENEWAL 2017

For insurance and other compliance reasons we cannot have unregistered people using the club facilities and must therefore deal with registrations in advance of training recommencing in early 2017.

In addition, the entry deadline for this year's Kildare county indoor track and field championship is 17th January 2017. This competition is on Sunday 22nd January 2017. Anyone not registered with the club will not be entered by the club into this competition. Also, they will not be entered into any other competitions, nor will they be registered by the club with Athletics Ireland. Athletes not registered with Athletics Ireland are not covered under the Athletics Ireland insurance policy.

Finally, we have significant waiting lists, particularly in the younger age groups. We need to know the numbers that are going to register for 2017 as quickly as possible so that we can advise those on waiting lists if there will be a place for them in 2017.

For the above reasons, all registrations must be received before training recommences in January 2017. To facilitate this, we will be taking registrations in the Sports Complex on Tuesday 6th December 2016 and Thursday 8th December 2016 between 7.00pm and 8.00pm on both dates. This registration date is not for new members and is only for existing 2016 members to renew their membership with the club for 2017. It is simply a matter of dropping in the completed form with appropriate payment, nothing too complicated. Members should not go to the track for training in 2017 if they have not given in their registration form and payment.

For numerous logistical reasons we are constrained in the membership numbers that we can have in the club, and therefore there will not be any guarantee of a place in the club in 2017 if your registration is not done on this registration date. You can of course give the form and payment to your coach or any club official anytime in advance of this date.

(If due to personal financial circumstances anyone has difficulty in making the payment then we ask you to please speak to either Carmel Gallagher (087 6889930) who deals with registrations, or our Treasurer, Larry Dunne (087 2508015). Either of them will facilitate a suitable arrangement with you and any such discussion with them will be in the strictest of confidence).
